

## **Invitation for Cases and Material on Competition Law**

Damodaram Sanjivayya National Law University, with an objective to encourage and promote the skill of research and writing amongst the legal fraternity across the country in the field of “Competition Law”. In addition, **the same will be published as a book on “Cases & Material on Competition Law.**

The main objective of this book is to give an overview of competition law. The Competition Law is a branch of law which promotes economic efficiency using competition as one of the means of assisting the creation of market responsive to consumer preferences. The advantages of perfect competition are three-fold: allocative efficiency, which ensures the effective allocation of resources, productive efficiency, which ensures that costs of production are kept at a minimum and dynamic efficiency, which promotes innovative practices.

Any field of law develops only through vivid research; similarly, the emerging issues in the field of Competition Law demands in-depth research and analysis. DSNLU, hereby, invites case analysis & comments on legal issues from interested law students from across the country.
